What We Offer

Pre-AP offers 12 courses across multiple domains: English, math, science, world history and geography, and the arts. All share a focus on the critical thinking skills that will prepare students for college and careers. All give teachers the ability to customize the courses to meet the needs of their students.

How Pre-AP Works with AP

Pre-AP is designed to be accessible to all students. Back mapped from College Board's AP Program, Pre-AP grade-level instruction develops skills for future success with AP.

Pre-AP and AP

What this course is doing: It's building the skills that these kids are going to need in order to do well in AP classes.

— Daniel Minadeo, Pre-AP World History and Geography Teacher, Southfield, MI

Shorter, more assertive headline; warmer introduction.

Storytelling has a logical flow; user is not bewildered by program terminology (coordinator, course audit, etc.)
