GEL-CRÈME REGARD FRAIS CONTINU
Instantanément, le regard est frais et pétillant, plein de vie. Ce gel-crème léger revigorant hydrate la peau, et contribue à réduire l'apparence des poches et des signes de fatigue. Grâce à une algue dynamisante des eaux glacées, la Salicorne et la Lavande Papillon, le contour de l'œil est infusé d'hydratation.
92% des ingrédients sont d'origine naturelle. Non comédogène. Testé sous contrôle dermatologique et ophtalmologique.
ALL-DAY EYE REFRESH GEL-CREAM
Instantly eyes are fresh and sparkling, full of life. This invigorating featherweight gel-cream helps hydrate, depuff and diminish signs of fatigue. With a reviving frozen water algae, Salicornia Herbacea, and Butterfly Lavender, the eye area is infused with refreshing hydration.
92% of ingredients from natural origin. Non-comedogenic. Dermatologist and ophthalmologist tested.
ERFRISCHENDE GEL-CREME FÜR DIE AUGENPARTIE
Die Augenpartie wirkt sofort frisch, strahlend und lebendig. Die belebende, federleichte Gel-Creme spendet Feuchtigkeit und hilft, Schwellungen und Anzeichen von Müdigkeit zu mildern. Mit vitalisierender, gefrosteter Wasseralge, Salicornia Herbacea und Schmetterlingslavendel wird die Augenpartie erfrischt und intensiv mit Feuchtigkeit versorgt.
92% aller Inhaltsstoffe sind natürlichen Ursprungs. Nicht komedogen. Dermatologisch und augenärztlich getestet.

CREMA GEL OCCHI FRESCHEZZA INTENSA
Immediatamente lo sguardo risulta riposato e luminoso, pieno di vita. Questa leggerissima crema gel tonificante aiuta a idratare la pelle, a minimizzare la presenza di gonfiori e dei segni di affaticamento. Grazie all'azione rinvigorente dell' Alga Ghiacciata, Salicornia Herbacea e Lavanda Selvatica, il contorno occhi appare fresco ed idratato.
92% degli ingredienti sono di origine naturale. Non comedogeno. Testato dermatologicamente e oftalmologicamente.
GEL-CREMA REFRESCANTE PARA OJOS
Refresca los ojos al instante, que irradian vitalidad. Este ligero gel-crema revitalizante mejora la hidratación, reduce las bolsas y aminora los signos de cansancio. Tonifica y vivifica el contorno de ojos gracias a su refrescante contenido en Algas de agua helada, Salicornia herbacea y Lavandula pedunculata.
92% de ingredientes son de origen natural. No comedogénico. Dermatológica y oftalmológicamente testado.
