

A little clicking can tell you how well it's ticking.

**Our simple online quiz can tell you whether you
and your healthcare provider need to talk further.**

It doesn't take much to get a good picture of whether your heart is working as it should, or if you need to talk with your healthcare provider. At Goshen Heart & Vascular Center, we specialize in helping your heart perform at its best today and tomorrow.

Visit us at [GoshenHeartAndVascular.com](https://www.GoshenHeartAndVascular.com)
to take our heart risk assessment today.

Goshen Heart &
Vascular Center
