

# AT YOUR

# CERVIX

If you haven't been screened for cervical cancer yet—or if you haven't had a screening in the last few years—now's a good time to get back on a regular schedule. **Cervical cancer is nearly 100% preventable and treatable with routine screenings and HPV vaccination, so schedule an appointment today.** And if you need a follow-up visit, Goshen Health offers the personalized service and expertise you won't find anywhere else.

**Need a doctor? All Goshen Physicians Primary Care offices are welcoming new patients.**

**Call (574) 537-5000 or visit [www.PapASAP.com](http://www.PapASAP.com).**

Goshen Health complies with applicable federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability or sex.

**ATTENTION:** If you speak Spanish, language assistance services, free of charge, are available to you. Call 1 (574) 364-1000 (TTY: 711 or 1 (800) 743-3333 to be connected with *Relay Indiana*).

Goshen Health cumple con las leyes federales de derechos civiles aplicables y no discrimina por motivos de raza, color, nacionalidad, edad, discapacidad o sexo.

**ATENCIÓN:** Si habla español, tiene a su disposición servicios gratuitos de asistencia lingüística. Llame al 1 (574) 364-1000 (TTY: 711 o llame al 1 (800) 743-3333 para comunicarse con *Relay Indiana*).
