# THE PGA CHAMPIONSHIP SURVIVAL GUIDE

ways to have fun and
learn while not losing
your ever-loving mind.

01

## IT'S NOT A TIMESHARE BAIT AND SWITCH.

Relax. Kick back. It's time for you to be the big cheese.

# 02

Sure they’re strangers now,
but you’ll probably be
meeting with them later.

**EXCEPTION: NEVER** smile at strangers in vans.

# 03

**HAND SANITIZER.**

You have no idea where we've been.

04

## SHARING IS CARING.

Use the Roundtable as your forum to be heard. Let's see how we can tackle those challenges.

05

**STAY HYDRATED.**

There's nothing sadder than a prune. Drink your $H_2O$.

# 06

## BADGES. YOU NEED YOUR STINKING BADGES!

Don’t lose your PGA credentials! Nancy’s not good at begging.

07

## MASTER THE GOLF CLAP.

Remember to clap but not too loud. We appreciate the golf clap at meetings too.

08

**ALWAYS. WEAR. SUNSCREEN.**

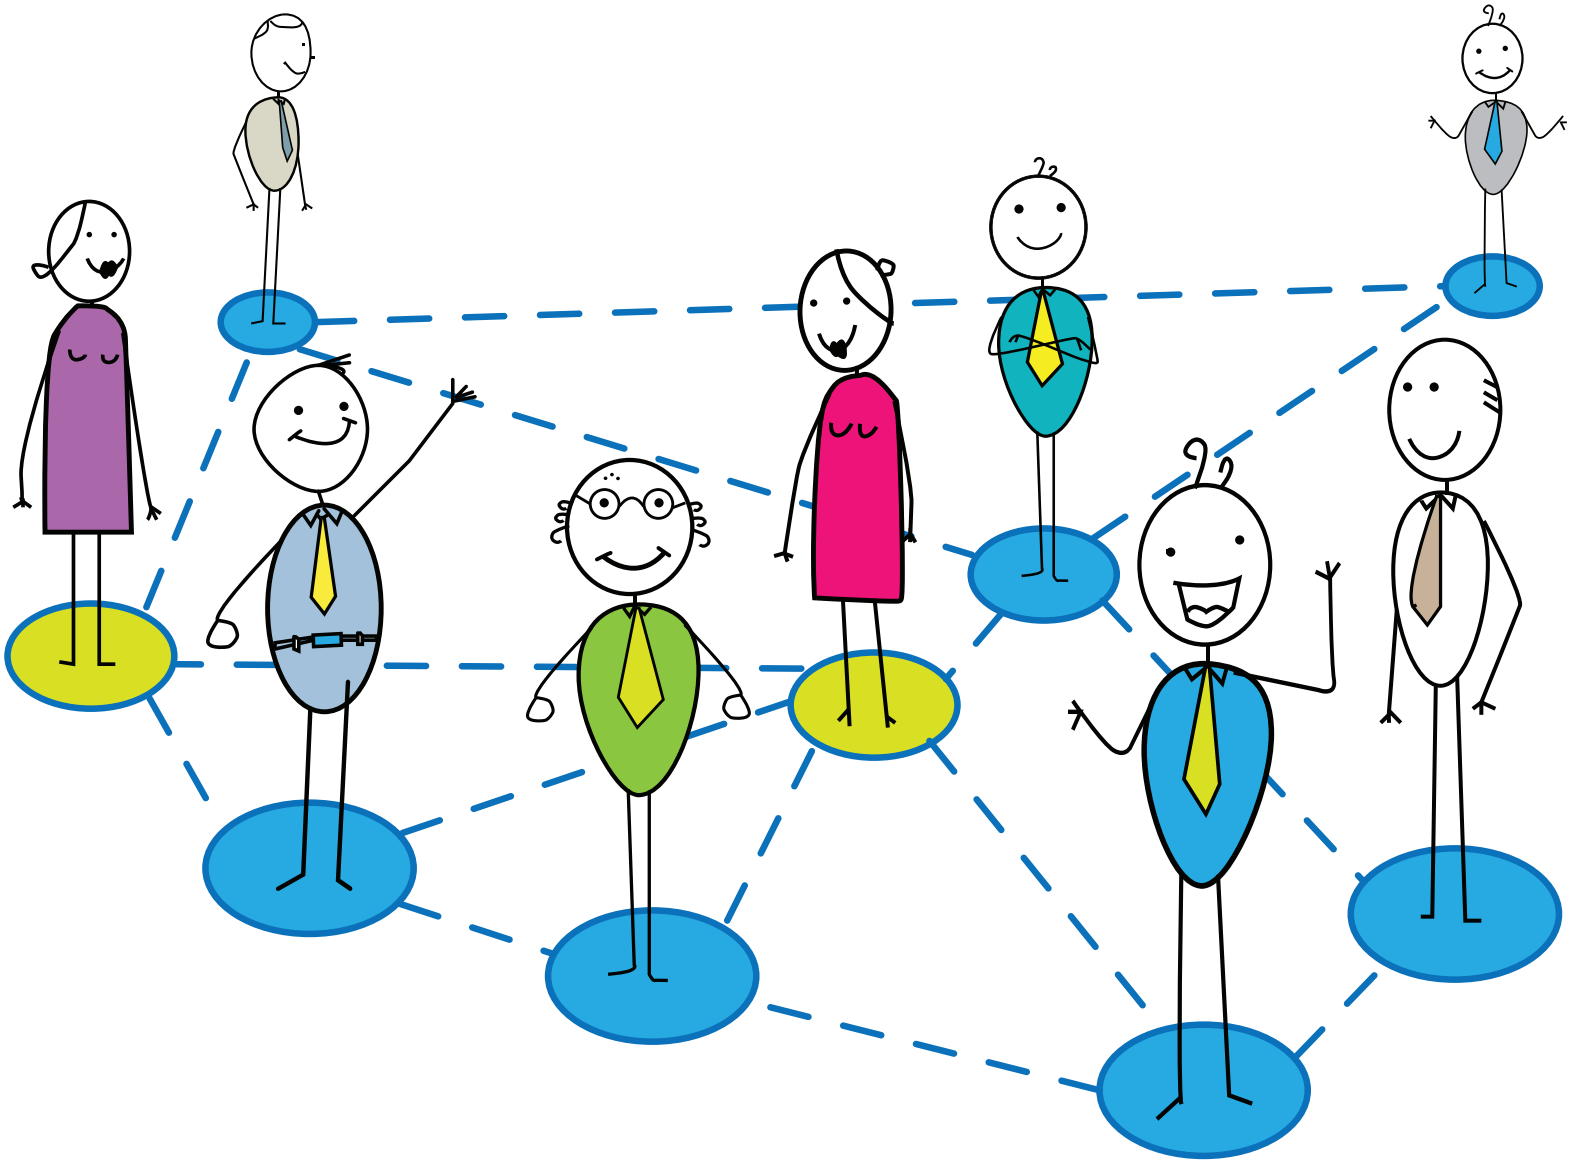

Overcast? Hazy?
That’s how they get ya.

09

# MEET SUTHERLAND.

We’re fun. We’re dedicated and we’re dang smart.

10

**YOUR TURN.**

Add a tip of your own. We can’t have a Top 9 list, now can we? We’re not savages after all.
