

PIRANHA BITE CLUB

GAME SHEET

BY EXCO GAME STUDIO

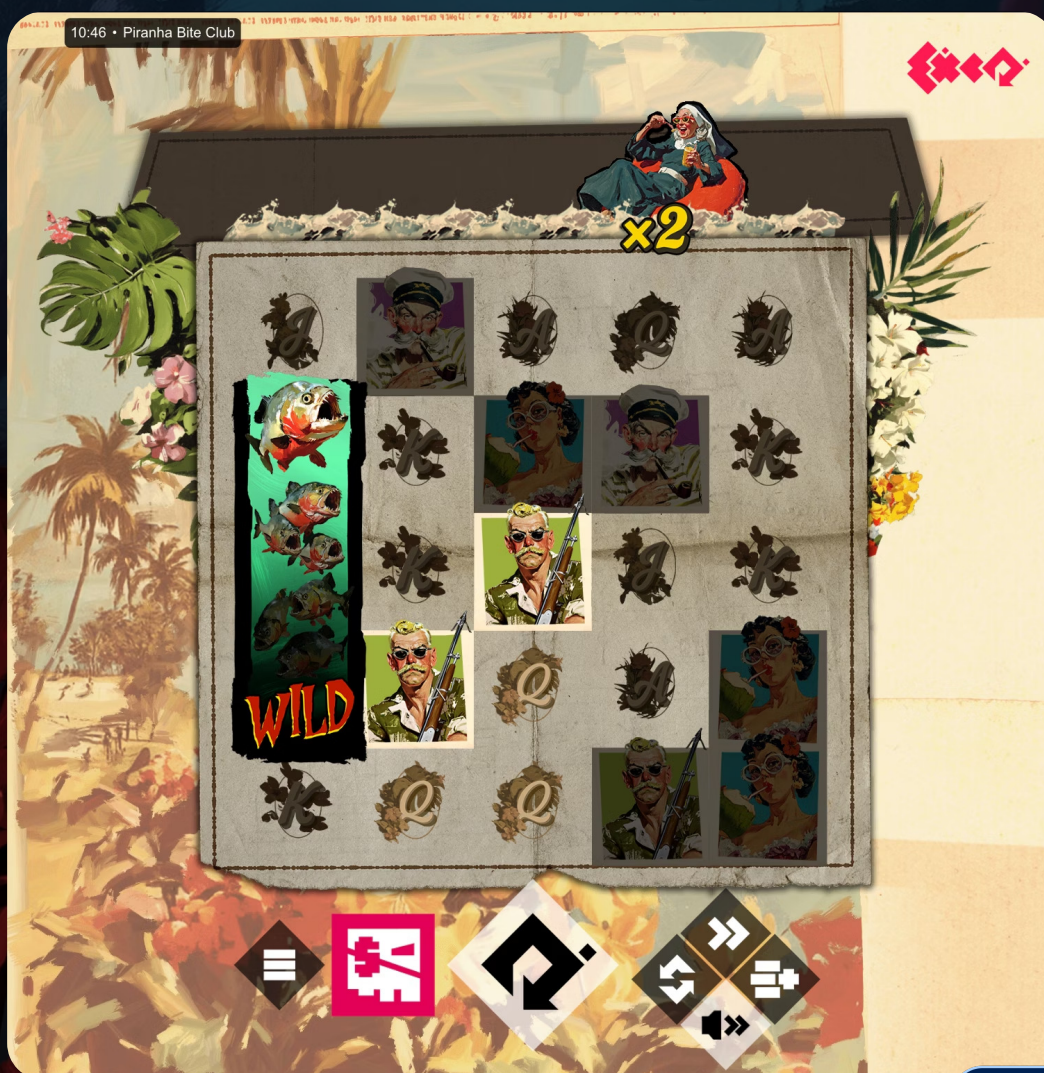

High volatility. Aquatic. Merciless. 5x5 grid. 5x1 Swimmer Reel above it - that's where the multipliers live.

In the Base Game, Piranha Wilds land, nudge fully into view, and swim up to bite multipliers off the top reel. Every spin is a hunt.

In Free Spins - regular symbols are gone. Stripped out completely.

What's left: sticky 5-high Schools of Piranha, collecting cash prizes from the Swimmer Reel every single spin. Multipliers build. Re-buys tempt you to push further. And if you hit Unlock the whole screen becomes a feeding frenzy.

No filler. No mercy. Just piranhas.

MECHANICS + GAMEX

GAMEX: SWIMMER REEL

A 5×1 Swimmer Reel sits above the 5×5 grid.

In Base Game, it shows reel multipliers:
1×, 2×, 3×, 4×, 5×, 10×.

When a Piranha Wild lands, it swims up and bites the multiplier above its reel.

Piranha Wilds can land as:
1×1
1×3
1×5

If partly visible, they nudge fully into view.

If several Piranhas are in the same win, their multipliers multiply together.

Example:
 $2 \times 5 = 10 \times$

PIRANHA CASH GRAB

In Free Spins, the Swimmer Reel switches from multipliers to cash prizes.

Regular symbols disappear.

Only 1×5 sticky School of Piranha symbols land.

Each sticky Piranha collects the cash prize above when it lands or when another Piranha or multiplier land.

Prize collected = cash prize × current Piranha multiplier.

Each new Piranha adds +1 Free Spin.

MULTIPLIER OVERLAYS

If a sticky Piranha is already on screen, multiplier overlays can land on it.

The overlay increases that Piranha's multiplier for the rest of the bonus.

Each overlay also triggers a +1 Free Spin.

UNLOCK

Unlock activates when all five Piranhas have landed. Once Unlocked, +2 free spins are granted and all five sticky Piranhas collect cash prizes every spin.

The game turns into full-screen feeding mode.

ART & AUDIO SHORTHAND

THEME

Beach-horror carnage with EXCO teeth.

The tourists came for the water.

The Piranhas came for the multipliers.

Base Game is the bait.

Free Spins are the feeding frenzy.

PALETTE

Deep water blues, toxic greens, blood red accents, sunburnt yellows, black comedy beach details.

Cash prizes should pop hard.

Multiplier hits should feel sharp, wet, and dangerous.

AUDIO

Fast, sharp, and bite-driven.

Splash tension. Sudden attacks. Crunchy multiplier hits. Cash-grab chaos.

No soft beach music. This is not a resort. It's a warning sign.

tone line:

"BITE THE REEL. FEED THE FRENZY."
